

OUTTAKES 2017

01 Split Tongue (2016)

from *Snabelsk!* (HOHM005). Written and produced by Uxzendahl. Contains a sample from the original X-files series.

02 What Up? (2007)

from HOH: Bestemor (z:015). Written and produced by HOH. Contains a sample from the Roots Manuva song «Motion 5000»

03 Water (2005)

from HOH: water/teeth (z:006). Written and produced by HOH. Contains a sample from a documentary on Bruce Lee. And yes; It's Bruce Lee explaining some key thoughts of his Gung-fu philosophy with the water metaphor. He 'sampled' a little bit himself to get to it;

*Nothing is weaker than water,
But when it attacks something hard
Or resistant, then nothing withstands it,
And nothing will alter its way.*
(Tao Te Ching)

04 Bjaff (2002)

from HOH: I Wanna be a Rhythm (FKSCD004). Written and produced by HOH. Contains a sample from the classic recordings by Edith Piaf.

05 Lighter (2002)

from HOH: I Wanna be a Rhythm (FKSCD004). Written and produced by HOH. Contains a sample from a track on a Drum and Bass compilation I used to listen to back in the day. *A sample of a sample of a sample.* Imagine me doing the detective-work finding the original source and then getting clearance for the use of it from the copyright holders, to take to my digital distributor, and thoroughly knit that into the meta-data of the song, and on, and on, and on; Hah! Fuck it! Here it is for free instead.

Enjoy!
